Global Bilingual Academy

Student Support Services

- The sole purpose of the Student Support Department at GBA is to serve students. In order for our students to succeed and achieve their potential they must have the necessary skills to learn.
- Student Support Services Department works collaboratively with teachers, parents and the community to promote students readiness to learn and alleviate obstacles that might hinder student achievement

Student Support Services

School Clinic

The school clinic has medical Equipment and medicines to solve any eventuality that may arise at school.

The school nurse / doctor raise awareness of healthy eating and physical activity for pupils and their families

They help students focus on their hygiene and hygiene and the food they eat.

They help educate the students about Personal Hygiene and Oral Hygiene

Counseling

- Working out friendship problems
- Setting goals
- Working well with others
- Feeling good about yourself
- Adjusting to a new school
- Learning how to make decisions
- Managing your feelings (stress, worry, anger, etc.)
- Dealing with peer pressure and bullying

ESL/Reading Intervention :

Helps students with low scores in their English performance because they do not have the basic English skills.

Students acquire the basics in terms of phonics, CVC words and reading skills. They develop their writing skills since we usually write the way we speak
