

Dear Parents,

October is Anti-Bullying Month at GBA. During this month, your children participate in different activities aimed at creating a positive school setting, increase awareness about bullying and teach students skills to deal with bullying, problem solving, and making friends.

Around the world, millions of people wear purple to take a stand against bullying.

Thursday, October 27th, 2016 is **PURPLE DAY** at GBA. Please send your child to school on that day wearing a purple T-shirt in order to show your support and take a stand against bullying.

Together, we create a safer and happier environment for our students.

Anti-Bullying Committee
